

ALCESTER RFC MATCH REPORTS

Saturday 16th January 2010

Midlands Division Four West South

Alcester vs. Coventry Welsh rearranged

Warwickshire 2nd XV League

Copsewood vs. Alcester postponed

Alcester were left for a fifth week without competitive action, as their Exile opponents were scheduled to play a rearranged National Junior Vase match in Wellingborough, which took priority over the league fixture. To add to the frustration for the King's Coughton side's inactivity the cup tie for Coventry Welsh in Northamptonshire was postponed, whilst the Alcester pitches were playable after the dramatic thaw of the previous 24 hours.

With the second team fixture at Copsewood also falling foul of the conditions, the Alcester squad took the opportunity to train for the first time in a month, with coach Steve Lea taking charge of an excellent session.

Alcester hope to finally get back in to action next weekend, when they visit Dudley Wasps for a return league fixture, having beaten the Black Countrymen earlier in the season.

Alcester 2nds play host to Keresley, with both games kicking off at 2.15pm.
