

ALCESTER RFC MATCH REPORTS

Saturday 19th December 2009

Midlands Division Four West (South)

Rugby Welsh vs Alcester

Alcester's scheduled league visit to Welsh's Alwyn Road ground fell victim to the frost that wiped out all bar Sutton Coldfield's home match, in the Midlands league structure. The teams will try again in the New Year in a date to be fixed.

With the second's trip to Birmingham Wyvern also chalked off, attention turns to the final action of the season at Kings Coughton, and the annual Boxing Day game between the President's (Steve Faulkner) and Chairman's (Steve Lunn) XV's. The fun starts from 11.00am and all friends old and new are welcome to come and join the traditional fun, with the half time shots of port and the post match meal of fish fingers just two of the traditions of this special day in the Alcester calendar.
