

## **ALCESTER RFC MATCH REPORTS**

**Saturday 21st November 2009**

### **Warwickshire Shield**

The injury and availability problems that have ravaged Alcester this week, robbed the Kings Coughton side of no fewer than ten of last week's starting line up, including the whole front row, which meant that they took the decision on Tuesday to pull out of their scheduled trip to Nuneaton side Manor Park, forfeiting the cup tie in the process. Alcester hope to have as many of the missing back as possible for the visit to the same opponents, and the resumption of the league campaign next weekend. Kick off at the Griff Coton sports ground is 2.15pm.
