

ALCESTER RFC MATCH REPORTS

Saturday 25th April 2010

Alcester RFC Sevens Competition

Alcester hosted their annual end of season sevens competition, where twelve teams from the local area battled it out in the main and plate competitions.

The four winners of the group stages, Bournville 'A', Woodrush 'A', Mutz Nutz and Mad Geese all progressed to a high quality semi final line up, which saw long time sevens specialists in this competition, Woodrush, and Mad Geese contest a final which saw the "pub" side go one better than last year's runner up finish to claim the main trophy.

In the plate competition holders Bournville 'B' shrugged off a defeat in the group stages by Alcester Colts to face another one of the four Alcester sides in the competition. The "chocolate men" ran out winners against Alcester GLBS, captained by Dom Skinner, to claim a second successive trophy.

The end of season activity continues at Alcester, where the club side will be hoping to avenge two consecutive defeats by the City Links Lions side in the annual charity match which this season is to be played on 29th April at Kings Coughton. The match in aid of the Make a Wish charity kicks off at 7pm.

Harold Stilwell Trophy

On Saturday May 1st Alcester host the annual South Warwickshire RFU 15 a side competition. Registration for the tournament is from 12pm, with kick off scheduled for 1pm.
