Midlands Division Six West (South East)

Old Wheatleyans vs Alcester – Away Walk Over

Alcester's promotion push was maintained without them touching a ball, as the Coventry outfit were unable to raise a side, and conceded the game on Thursday evening but still too late for Alcester to pick up suitable alternative opponents from the fixture pool for a friendly. As a result, Alcester now just need to win one of the remaining two games, both at home, to guarantee they will be in the promotion play off against the Midland Six West (South West) runners up. They play host to Warwickian at Kings Coughton next Saturday with a 3pm kick off.
