

ALCESTER RFC MATCH REPORTS

Saturday 3rd October 2009

Alcester 1st and 2nd XV

Both Alcester senior sides were left with a frustrating blank weekend, as their scheduled opponents Birmingham Civil Service were unavailable for the match. Their 1st XV was due in North Midlands Cup action which Alcester established too late to organise suitable alternative opponents, whereas their 2nd XV were unable to raise a side. The Kings Coughton men used the opportunity to run a training session and play an inhouse game mixing 1st and 2nd XV players. Both sides are back in league action next week, with the 1st XV hosting Birmingham Exiles and the 2nd XV travelling to Coventry to meet Pinley. Kick off both matches is 3pm.

Alcester Past Players and Officials Lunch

Alcester will host the latest in the season's numerous events to commemorate their Golden Jubilee season, before and during the Midlands West Four (South) league fixture against Birmingham Exiles. Past club presidents and other officials, as well as members of the club's first sides from 50 years ago will be wined and dined at the club house before next week's game.
