

ALCESTER RFC MATCH REPORTS

Saturday 5th December 2009

Evesham 2nds 38 Alcester A 0

With a break in league action, Alcester chose to rest most of their 1st XV, particularly in the pack, ahead of the resumption of league duties at home to Coventry side Pinley next Saturday.

The Kings Coughton men mixed the younger members of the 1st XV squad with the second team and made the short trip to Evesham Sports Club to face a strong and experienced Evesham second string.

Alcester were outplayed for much of the game, particularly up front, and on the occasions they did manage to provide good ball for their backs, any hope of flowing rugby was thwarted by handling errors and mistakes.

Evesham ran out comfortable winners and the Alcester squad know they have plenty of work to do on the training field this week to be ready for next week's return to competitive action. Kick off for that game is 2.15pm.
