

Alcester 2nd XV 0 Harborne 2nd XV 26

For the second week running Alcester lost out to a Harborne side, with this result far more comprehensive than the tight game last week. Both sides were grateful to club member Rob Thompson, who stood in to referee the game at short notice in the absence of a society official.

Trailing 7-0 at the break, the home side troubled the visitors line only rarely and conceded three more tries in the second half, two of which were converted.

Alcester's bad day was worsened by the loss of young fly half Jamie Randall with a serious looking knee injury. All at the club wish "JR" a speedy return to fitness.
