

Harbury 2nd XV 17 Alcester 2nd XV 19

Alcester claimed a good away win, in a hard fought contest against the Warwickshire villagers.

Wing Stuart Whitehead scored Alcester's only try of the game with a smart finish, with all of the other points coming from the accurate boot of fly half James Randall, who first converted Whitehead's try before slotting over a penalty before the break. These scores ensured that the visitors were level 10-10 at the break, and although they conceded a second try in the second half, three Randall penalties were enough for Alcester to win the day.
