

Warwickshire Second Team League Division Four

Atherstone 2nds 24 Alcester 2nds 5

A much changed Alcester side couldn't make it two successive wins on the road as they slipped to defeat in the north of the county. They trailed 17-5 at the break, with a try from scrum half Paul Taylor to show for their efforts, but were unable to narrow the score in the second half and conceded another converted try to their hosts, despite a great defensive effort led by man of the match Brian Wade.

Skipper Pete Goddard also singled out the performances of new players Dan Phillips and Ian King of being worthy of special mention.
