

Warwickshire Second XV League Division Four

Newbold 40 Alcester 12

Alcester left for the toughest of looking away games with only fourteen players and despite performing well and enjoying dominant periods of the game, they slipped to a comprehensive defeat in the east of the county.

Trailing 20-0 at the break, they were more competitive in the second half, and had two Rup Daffern scores, one of which was converted by Rich Smith, to show for their troubles. In the end they were well beaten by a good side. Skipper Pete Goddard named fellow back row forward Steve Green as his man of the match.
