

Kings Norton 3rds 10 Alcester 2nds 33

Alcester's mainly youthful second string rounded off their season with one of the best wins of the campaign. The younger legs in the visitors side proved too much for their hosts, although it was one of the Alcester veterans that showed his side the way with the first try. Skipper Pete Goddard raced in from just inside the Kings Norton half to open his side's account, and his score was followed by others from Steve Wade, Dom Skinner, Rich Smith and Martin Sergeant. Fly half Ollie Braley added two conversions and a drop goal.

Alcester have their traditional busy finish to the season with three events over the final weekend. On Friday (25th) is the awards evening at the club house, and this is followed by a charity game in aid of the local fire fighters on Saturday, where East Midlands Fire Service will be facing an Alcester Select XV. Kick off is 3pm at Kings Coughton. On Sunday is the Alcester Sevens tournament from 11.30am, with 18 local teams already entered and others expected to confirm before the day. Any teams interested in entering can get more details via the Alcester RFC website.
