

## **Alcester 2<sup>nd</sup> XV 10 Yardley 2<sup>nd</sup> XV 28**

With the first XV under strength, it follows that the second XV would be too, and once again they were not helped by more injuries finishing the game with only ten players.

Alcester did well in the first half and were level with their visitors at half time 5-5, with the home score coming from guest player Luke Usradebe.

The injuries took their toll in the second half, and although Usradebe crossed for his second try, the visitors ran out clear winners.
