

Warwickshire 2nd XV League Division Four

Claverdon 2nd XV 8 Alcester 2nd XV 7

The home side won a typically tight local derby through a second half drop goal, after Alcester had led 7-0 at the break with Max Biltcliffe converting Ollie Braley's try.

With the main Claverdon pitch being "rested" the sides played up the slope above the clubhouse and the blustery conditions made free flowing rugby difficult.

Claverdon scored a try in the second half and won the game with the previously mentioned drop goal, although the tight affair could have gone either way.

Alcester RFC Annual Bonfire and Fireworks Night

Alcester RFC hosts it's annual bonfire and fireworks evening at their King's Coughton ground on Friday November 7th.

In addition to the bonfire and firework spectacular, there will be a BBQ and other refreshments available all evening and the bar will be open in the clubhouse.

Entrance is available on the gate from 7pm, with the lighting of the fire from 7.30pm. All welcome.
