

Edwardians 2nd XV 27 Alcester 2nd XV 5

Alcester's recent run of losses continued, with defeat at the other end of the A435 in South Birmingham. They trailed 13-5 at the break, with the visitor's score coming from skipper Pete Goddard after giant lock Dave Marriott had powered towards the line from a tap penalty.

This was as good as it got for the visitors who conceded two further converted scores in the second half, and had little answer to the pace and power of the home side's centre pairing.
