

## **Warwickshire Second XV League**

### **Alcester walkover vs. Kerseley**

Alcester 2nds competitive inactivity continued, when their visitors cried off less than two hours before kick off. Whilst Alcester claim the league points, it is game time that they really need, but skipper Pete Goddard organised a 9 a side inter club game instead which was enjoyed by all. They will try again next week when friendly opponents Birmingham Wyvern are the visitors to Kings Coughton for a 2.15pm kick off
