

Redditch 3rd XV 5 Alcester 2nd XV 5

The near neighbours played out a keenly contested draw in boggy conditions at the Kingfisher's ground.

The home side led 5-0 at the break, before Alcester skipper Pete Goddard crossed for his side's try in the second half to level the scores. Rich Smith hit the upright with his conversion attempt.

Alcester lost hooker Steve Wade for a bizarre reason during the game, not to injury, but because his sole fell off his boot and no one could lend him a replacement!
