

## **Warwickshire Second XV League Division Five**

### **Keresley 2nds 19 Alcester 2nds 16**

Alcester slipped to a narrow defeat against a side they had beaten in the last two meetings. They had chances to get a result from this game too and only confusion over the score line at the death, prompted Alcester kicking for touch from a penalty, when a successful conversion would have levelled the scores.

The tight nature of the game was evident throughout, with the scores level at 7-7 at half time following an Alcester try from skipper Pete Goddard, improved by Jamie Randall's successful conversion.

Unfortunately the visitors lost their captain at half time to a calf injury, but he was replaced by Joe Davis. The second half remained competitive, and the accurate boot of Randall kept his side in touch, as he slotted over three successful penalties, one following an incident which saw the sin binning of a Keresley player late on.

### **Alcester RFC Annual Bonfire Evening**

Alcester host their popular annual bonfire and fireworks evening at Kings Coughton on Friday 6<sup>th</sup> November. As well as the fireworks that start from 8pm, there will be various other attractions, including the barbeque and bar that will be available after the gates open at 6.30pm, with the lighting of the bonfire from 7.30pm. On site parking will be available, with the entrance price set at £5 adults and £3 under 16's. Pre school children enter free. Everyone will be made welcome.
