

Alcester 2nd XV 6 Shipston 3rd XV 71

Alcester had the unusual scenario of both winning and losing on the same day. Their league fixture against Warwickian 2nd was awarded to Alcester by default 20-0, after the scheduled visitors failed to raise a side. Instead they took the fixture that was to be the Alcester vets opponents, but were put to the sword by a much stronger side and only had a first half Jamie Randall penalty and a second half Dom Skinner drop goal to show for their efforts. Skipper Pete Goddard led by example with his usual committed performance, but was not enough to inspire his side and they ended well beaten.
