

Alcester 2nd XV 12 Blakenhurst Officers XV 5

This was an excellent game where both sides were reasonably happy with the outcome. The young Alcester side just got the better of their more experienced visitors, who have recently formed their side to play occasional games. The officers featured two former Alcester stalwarts in Paul Stephens and Nick Thompson.

The home side won the game thanks to a brace of tries from Damien Webb, one of which was improved by Ollie Braley's conversion.

Club secretary Steve Lunn refereed the game following the late cry off of the allocated official.
