

Alcester 2nd XV 10 Harbury 2nd XV 40

Alcester's second string went the same way as their 1st XV counterparts with a comprehensive defeat by their youthful opponents.

With personnel changing week on week it is hard for Alcester to get any real continuity a fact that shows in their play. In the end they only had tries from Ollie Braley, a bright prospect for the Alcester future, and Chris Carroll to show for their efforts. Carroll has been plying his trade at Alcester for longer than Braley has been on this earth, underlining the importance of the veteran players in bringing the youngsters through.
