

Alcester 2nd XV 14 Birmingham Medics 43

Alcester slipped to defeat against a strong student side, in a game that kicked off at 12pm to allow both sets of players to witness England's excellent win in the World Cup Quarter Final.

The King's Coughton men acquitted themselves well despite being second best for most of the afternoon. They trailed 20-7 at the break, with their score coming from skipper Nod O'Dell after scrum half Dom Skinner had charged down a clearance from the Medics defence. Ask Newdick converted.

The second half continued in a similar vein, with the hosts being restricted to one further score, which came from centre Damien Webb who crashed over. Newdick again converted.
