

ALCESTER RFC

Well here we are again looking forward to another successful season at Alcester Rugby Football Club. Last year was an exceptional year on the pitch with our First Team finishing third in the league and some very fine performances from our Seconds & Vets. Our coach Steve Lee will be pushing for promotion this year and we should give him all the support that we can Home & Away. We will also be seeing some of our U17's coming through this year and look forward to some sparkling performances from them.

During the closed season the club has gained a New Decking Platform with wind breaks to both sides, which should make it more pleasant on those inclement winter days. Further improvements are planned for the Bar Area and hopefully these will be ready for the start of the New Season. We have two new committee members with Martin Sanders taking over from Andy Flynn as Vice Chairman and Steve Lunn taking over from Darren Stanton as Secretary although Darren will be staying on as a committee member.

We are working our way towards the clubs Golden Jubilee and have a Jubilee Committee headed by Mike Edward (Club President) . There has already been a very successful Fun Run with over 100 entrants and soon on October 12th 07 there will be a World Cup Dinner at the Grieg Hall with Guest Speaker . Please if you have any suggestions for the Jubilee contact Mike Edwards or myself we want to make the jubilee a year to remember.

The Club has seen some New Sponsors coming aboard this year alongside previous sponsors and from the start of the season we should see our teams running out in some smart new kit. Thank you to everyone who has sponsored ARFC and to all the other people who support, maintain and improve the club for future generations.

I look forward to seeing all our members and supporters during what I am sure will be a thrilling season for Alcester Rugby Club.

Andy Miller (Chairman)
