

ARFC Junior Section Handbook Submission

2007 – 2008 Season

Welcome to another Season at Alcester Rugby Football Club

This season we hope to build on what was a fantastic display of Rugby by all sides in 2006 – 2007

It is extremely important that we continue to provide the younger members of our wider community, with the ability to enjoy and learn not only the skills of Rugby, but the wider expectations of Rugby Football and being a member of a Rugby Club.

The coaches and officials at the Club are all volunteers and we hope that as many of the parents as possible will support not only their children in their rugby, but also the Club in the mundane administrative tasks that help provide such a successful Club as Alcester.

Please take as much time as you can to encourage the younger players in the development of their skills. The future of rugby at the Club and indeed within the country as a whole, depends on new blood being developed at grass root facilities like Alcester Rugby Football Club

Please feel free to talk to any Coach or official if you would like to assist in any activity at the Club.

I welcome all players new and old to the new season and good luck with what will prove to be the best sport in the world, to get involved in.

Regards

Peter Goddard
