

Redditch U14's vs Alcester U14's
Sunday 13th December 09

Alcester u14s travelled to Redditch on a bright and sunny morning. The home side played down the steep hill in the first half and immediately from the kick off were threatening Alcester's try line. Good defence allowed Alcester to keep Redditch out and slowly they made headway up the pitch. Redditch managed to take possession and passed the ball out to the winger who used his speed to evade the full back and score. Half time came and it was Alcester's turn to use the downhill advantage. After much pressure full back Tom Alder scored to level the match. A loose pass from Alcester led to an interception try to put Redditch back ahead. Alcester tried to find a way through again but this time Redditch's defence held firm. Near the end of the game Redditch got the ball out wide and despite a desperate attempt by Alder to chase the wing down, the heavy pitch and fatigue enabled Redditch to score and seal a 15 – 5 victory. Scrum half Lewis Hopkins won Alcester's Man of the Match for his good distribution and tackling.
