

ALCESTER RFC MATCH REPORTS
Sunday 29th November 2009
Worcester Under 15's - 29 Alcester Under 15's – 5

Alcester U15's took to the field, for the first time this season against strong opposition Worcester. The lack of match play made it self clear from the kick off as Worcester's better shape soon told as they scored and converted early on in the game. The game then see sawed into either sides 22, but Alcester were unable to convert possession into points, and it seemed when Worcester made it into the Alcester half that's exactly what they did.

Alcester in their new kit sponsored by Kuretake were soon 19 points down but surged again into the opposing half and soon Josh Holt was able to force himself over for a try in the corner, unfortunately with the windy conditions it was too far away for the conversion.

The second half saw Worcester come out all guns blazing and soon scored again in the same spot Alcester had scored in the first half. The game settled down and despite some clever cross field kicking by Connor Ashford and penetrating runs by John Bailey, Alcester were unable to cross the line again. Man of the Match was George Green for his stalwart defence and his ability to turn a defensive position into attack. Although Alcester played a fair amount of time in the opposing half a poor pass led to an interception and Worcester were again able to capitalise.
Worcester 29 - 5 Alcester.

A good performance by Alcester under 15s seeing that it was their first game of the season due to insufficient numbers to field a team the score did not reflect the game play.

Anybody interested in joining the U15's or U16's can contact Tony Darby on 07771587757, email rugby@alcesterrfc.co.uk or visit the website www.alcesterrfc.co.uk.
