

## **Alcester Vets 7 Bromsgrove Crusaders 66**

For the newly reformed vets in only their second outing, this fixture was always going to be a tough ask against the experienced regulars that are the veterans of one of the areas strongest clubs. Their cause was not helped by only being able to field a depleted side, owing to inavailabilities, although in truth the strongest of Alcester veteran sides would probably have struggled to contain their visitors.

After a one sided first half which saw the Crusaders run in 40 unanswered points, the home side featured more after the break, and had a try from centre Steve Keen to show for their efforts. Darren Gwilym converted.

Despite this, Bromsgrove ran in convincing winners in the end, after scoring a further 26 points in the second half.
